How are the characters feeling?

Carry on the comic strip for a new version of Digiduck's Big Mistake to include an upstander character.

Digiduck posted a photo of Proud_Pig online. Proud pig looked silly and Digiduck knew he would be upset.

When Proud_pig saw the image he was feeling very sad. Shy_sheep tried to make him feel better.

DJ Dog was angry about Digiduck's choices, but he didn't help Proud_pig solve the problem
